Subject Letter No 561 Dated 5th November 1903 from the Comptroller—

Submission of Monthly Accounts of Receipts and Expenditure to Government by the Comptroller.

The Govt. having recognised the necessity of knowing the balances in favour of each Board at the end of each month, called upon the Presidents and the Comptroller in Official Memorandum No. 1761-9/1272 dated 3rd May 1892 to submit monthly accounts of Receipts and Expenditure not later than the 20th of the month following that to which they relate.

2. They however found that the accounts received from the Presidents varied considerably with the audited accounts of the Comptroller and were in fact valueless unless audited by the Comptroller, and directed the Presidents in their Pro. No. 17808-18/L.F.157-94 dated the 20th April 1895 to discontinue the submission of the accounts direct to Government and observed that it would be sufficient, if the Comptroller, after checking and correcting the returns received in his office, submitted them to Govt with the least practicable delay.

3. Now that the Rules under the Local Boards Regulation have been issued, the Comptroller in his letter No. 561/C.C. dated 5th November 1903, requests to be informed whether the accounts received in his office monthly from the

the Presidents under [redacted]20 of the Rules under the Local Boards Regulation should also be submitted to Government as para 127 of the Rules directs the submission of only annual accounts.

As it is desirable that the Government should be in a position to know the balance in favour of each Board at the end of each month, the Comptroller may, if approved, be asked to send such accounts to Government after audit as usual as the Rules recently issued do not prohibit the submission of the same.

Submitted.

I do not see why we should continue to get these; but as the Boards are all yet in good working order, the old practice may continue this year.
